

LIFE OR DEATH

Half of all smokers will die early

If 1000 young smokers continue smoking, approximately:

(From Tobacco Statistics 1998 - NZ Ministry of Health and the Cancer Society of New Zealand.)

- 1 will die of AIDS
- 2 will be murdered
- 2 will drown
- 11 will commit suicide
- 13 will die in car crashes
- 500 will die from smoking.

Choose life • Don't smoke
